

## Orange Tulips

4 oranges

8 marshmallows quartered

1 banana sliced

4 slices pineapple

$\frac{3}{4}$  c whipping cream

sugar to taste

Cut top off oranges. Make 5 or 6 cuts down sides so that pulp may be removed and orange shell shaped to simulate tulip petals. Place shell in sherbet dishes and refill with orange pulp cut in pieces and mixed with remaining fruits which have been sweetened to taste. Top with whipped cream. Serves 4.
