Traditional Russian Recipe

Cookies (no name)

[REDACTED] learned this recipe also
from her Grandmother when she lived
in Russia as a child.

Put six eggs in a mixmaster

1 cup of Crisco oil

1 1/2 cups sugar

2 tsp. baking powder

little lemon juice

Mix.

Add 4 cups flour

Take deep oblong pan, oil pan by putting Crisco oil
on a paper towel and rub pan. Bake 350° for 25 minutes.

The cookies when finished and cut look much like
Zwieback and taste similarly as bland.
